Kidsafe – Mandatory Safety Background Checks –

In the interest of the safety and welfare of Bridgewater Youth, the Bridgewater Township Council adopted a local ordinance (Township Ordinance #04-10) requiring criminal background checks for Bridgewater Township Recreation volunteer coaches. The ordinance requires all Bridgewater Township Recreation volunteer coaches to be fingerprinted so that state and federal criminal background checks can be conducted. Persons will not be eligible to coach youth sports programs sponsored by the Bridgewater Township Recreation Department unless they have passed a criminal background check. The KidSafe program uses fingerprints that are processed by the State of New Jersey and FBI, photographed, tracked through a database, posted on their website, upon approval, a Kidsafe photo ID is issued. The photo ID is proof of successful completion of a record check. The next set of fingerprinting sessions for Bridgewater will be held on the following dates;
